

## **HEALTH CARE IN POLAND**

### **FOR FOREIGN STUDENTS WHO ENTER PUMS IN ACADEMIC YEAR 2021/2022**

All students of the Poznan University of Medical Sciences are obliged to have a **valid health insurance policy**, which enables to use Polish medical care. A student's failure to obtain such a health insurance policy absolves the University from responsibility for covering the cost of a student's medical treatment in Poland.

**Moreover, all first year students are required to deliver a proof of holding a valid certificate of health insurance to the Dean's Office by November 30, 2021.**

- European Union students who possess European Health Insurance Card (EHIC) or a replacement certificate can receive free health care services from a doctor who has a contract with **the National Health Fund (NFZ)**.
- Other students from outside EU should sign voluntary Health Insurance Agreement with the proper regional NFZ office - in case of students from Wielkopolska or Poznań it is:

**Wielkopolski Oddział Wojewódzki NFZ**  
**ul. Piekary 14/15, 61 – 823 Poznań**  
**tel. +61 655 44 44 , fax +61 850 60 80**
